Case No. MD-07-0585A

**CONSENT AGREEMENT FOR
LICENSE REACTIVATION AND
PROBATION**

8 **CONSENT AGREEMENT**

9 By mutual agreement and understanding, between the Arizona Medical Board
10 ("Board") and James A. McGlamery, M.D. ("Respondent"), the parties agreed to the
11 following disposition of this matter.

12 1. Respondent has read and understands this Consent Agreement and the
13 stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement").
14 Respondent acknowledges that he has the right to consult with legal counsel regarding
15 this matter.

16 2. By entering into this Consent Agreement, Respondent voluntarily
17 relinquishes any rights to a hearing or judicial review in state or federal court on the
18 matters alleged, or to challenge this Consent Agreement in its entirety as issued by the
19 Board, and waives any other cause of action related thereto or arising from said Consent
20 Agreement.

21 3. This Consent Agreement is not effective until approved by the Board and
22 signed by its Executive Director.

23 4. The Board may adopt this Consent Agreement or any part thereof. This
24 Consent Agreement, or any part thereof, may be considered in any future disciplinary
25 action against Respondent.

1 5. This Consent Agreement does not constitute a dismissal or resolution of other
2 matters currently pending before the Board, if any, and does not constitute any waiver,
3 express or implied, of the Board's statutory authority or jurisdiction regarding any other
4 pending or future investigation, action or proceeding. The acceptance of this Consent
5 Agreement does not preclude any other agency, subdivision or officer of this State from
6 instituting other civil or criminal proceedings with respect to the conduct that is the subject
7 of this Consent Agreement.

8 6. All admissions made by Respondent are solely for final disposition of this
9 matter and any subsequent related administrative proceedings or civil litigation involving
10 the Board and Respondent. Therefore, said admissions by Respondent are not intended
11 or made for any other use, such as in the context of another state or federal government
12 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or
13 any other state or federal court.

14 7. Upon signing this agreement, and returning this document (or a copy thereof)
15 to the Board's Executive Director, Respondent may not revoke the acceptance of the
16 Consent Agreement. Respondent may not make any modifications to the document. Any
17 modifications to this original document are ineffective and void unless mutually approved
18 by the parties.

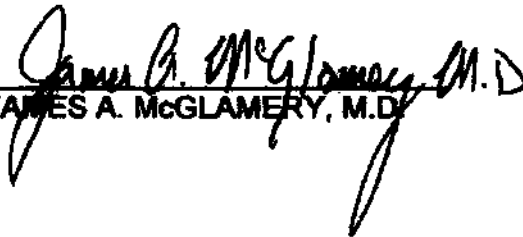

19 8. If the Board does not adopt this Consent Agreement, Respondent will not
20 assert as a defense that the Board's consideration of this Consent Agreement constitutes
21 bias, prejudice, prejudgment or other similar defense.

22 9. This Consent Agreement, once approved and signed, is a public record that
23 will be publicly disseminated as a formal action of the Board and will be reported to the
24 National Practitioner Data Bank and to the Arizona Medical Board's website.
25

1 10. If any part of the Consent Agreement is later declared void or otherwise
2 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in
3 force and effect.

4 11. Any violation of this Consent Agreement constitutes unprofessional conduct
5 and may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("[v]iolating a formal
6 order, probation, consent agreement or stipulation issued or entered into by the board or
7 its executive director under this chapter") and 32-1451.

8 12. *Respondent has read and understands the condition(s) of probation.*

FINDINGS OF FACT

1
2 1. The Board is the duly constituted authority for the regulation and control of
3 the practice of allopathic medicine in the State of Arizona.

4 2. Respondent is the holder of license number 10971 for the practice of
5 allopathic medicine in the State of Arizona.

6 3. The Board initiated case number MD-07-0585A after receiving a request
7 from Respondent for reactivation of his license and participation in the Board's Monitored
8 Aftercare Program (MAP).

9 4. Respondent was previously under a Probationary Order that terminated in
10 1980 for substance abuse; however, he was not required to undergo treatment and
11 monitoring and Respondent was only required to continue with psychiatric care.

12 5. On October 16, 1987, Respondent notified Board staff that he had abused
13 drugs. Respondent entered into a Stipulation and Order ("Order") requiring him to
14 successfully complete thirty day treatment, obtain a Board approved therapist, attend
15 Alcoholic Anonymous meetings and join the Arizona Medical Association Physician
16 Health Committee Program. On June 22, 1991, the Board terminated the Order following
17 Respondent's successful rehabilitation.

18 6. On February 20, 2007, Respondent notified Board staff that he had been
19 arrested for driving under the influence of drugs or alcohol. On February 21, 2007,
20 Respondent signed a Request for License Inactivation with Cause and Order inactivating
21 his license due to substance abuse relapse. Respondent agreed that he would not
22 request reactivation of his license until he complied with all Board requests, including
23 successful completion of long-term residential treatment and satisfactory evidence that
24 he is medically competent and physically and mentally able to safely practice medicine.
25

7. On June 25, 2007, Respondent contacted the Board to request reactivation of his license and participation in MAP. Respondent stated he had successfully completed a ninety day residential treatment program for chemical dependency. Subsequently, the treatment facility recommended Respondent be permitted to return to practice.

8. Board staff recommends that Respondent's license be reactivated and he be placed in MAP under a final Board Order.

CONCLUSIONS OF LAW

1. The Arizona Medical Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(f) (“[h]abitual intemperance in the use of alcohol or habitual substance abuse.”).

ORDER

IT IS HEREBY ORDERED that:

1. Respondent's license is reactivated upon payment of the renewal fee.

2. Respondent is placed on Probation for **five years** with the following terms and conditions:

a. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all conditions of probation. The declarations shall be submitted on or before the 15th of March, June, September and December of each year, beginning on or before March, 2008.

b.1. **Participation.** Respondent shall promptly enroll in and participate in the Board's program for the treatment and rehabilitation of physicians who are impaired by

1 alcohol or drug abuse ("MAP"). Respondent's participation in MAP may be unilaterally
2 terminated with or without cause at the Board's discretion at any time after the issuance of
3 this Order.

4 **2. Relapse Prevention Group.** Respondent shall attend MAP's relapse
5 prevention group therapy sessions one time per week for the duration of this Order, unless
6 excused by the MAP relapse prevention group facilitator for good cause such as illness or
7 vacation. Respondent shall instruct the MAP relapse prevention group facilitators to
8 release to Board Staff, upon request, all records relating to Respondent's treatment, and
9 to submit monthly reports to Board Staff regarding attendance and progress. The reports
10 shall be submitted on or before the 10th day of each month.

11 **3. 12 Step or Self-Help Group Meetings.** Respondent shall attend ninety 12-
12 step meetings or other self-help group meetings appropriate for substance abuse and
13 approved by Board Staff, for a period of ninety days beginning not later than either (a) the
14 first day following Respondent's discharge from chemical dependency treatment or (b) the
15 date of this Order.

16 **4.** Following completion of the ninety meetings in ninety days, Respondent shall
17 participate in a 12-step recovery program or other self-help program appropriate for
18 substance abuse as recommended by the MAP Director and approved by Board Staff.
19 Respondent shall attend a minimum of three 12-step or other self-help program meetings
20 per week for a total of twelve per month. Two of the twelve meetings must be Caduceus
21 meetings. Respondent must maintain a log of all self-help meetings. Board Staff will
22 provide the log to Respondent.

23 **5. Board-Staff Approved Primary Care Physician.** Respondent shall
24 promptly obtain a primary care physician and shall submit the name of the physician to
25 Board Staff in writing for approval. The Board-approved primary care physician ("PCP")

1 shall be in charge of providing and coordinating Respondent's medical care and treatment.
2 Except in an *Emergency*, Respondent shall obtain medical care and treatment only from
3 the PCP and from health care providers to whom the PCP refers Respondent.
4 Respondent shall request that the PCP document all referrals in the medical record.
5 Respondent shall promptly inform the PCP of Respondent's rehabilitation efforts and
6 provide a copy of this Order the PCP. Respondent shall also inform all other health care
7 providers who provide medical care or treatment that Respondent is participating in MAP.

8 a. "*Emergency*" means a serious accident or sudden illness that, if not
9 treated immediately, may result in a long-term medical problem or loss of life.

10 6. **Medication.** Except in an *Emergency*, Respondent shall take no *Medication*
11 unless the PCP or other health care provider to whom the PCP refers Respondent
12 prescribes the *Medication*. Respondent shall not self-prescribe any *Medication*.

13 a. "*Medication*" means a prescription-only drug, controlled substance,
14 and over-the counter preparation, other than plain aspirin, plain ibuprofen,
15 and plain acetaminophen.

16 7. If a controlled substance is prescribed, dispensed, or is administered to
17 Respondent by any person other than PCP, Respondent shall notify the PCP in writing
18 within 48 hours and notify the MAP Director immediately. The notification shall contain all
19 information required for the medication log entry specified in paragraph 8. Respondent
20 shall request that the notification be made a part of the medical record. This paragraph
21 does not authorize Respondent to take any *Medication* other than in accordance with
22 paragraph 6.

23 8. **Medication Log.** Respondent shall maintain a current legible log of all
24 *Medication* taken by or administered to Respondent, and shall make the log available to
25 the Board Staff upon request. For *Medication* (other than controlled substances) taken on

1 an on-going basis, Respondent may comply with this paragraph by logging the first and
2 last administration of the *Medication* and all changes in dosage or frequency. The log, at
3 a minimum, shall include the following:

- 4 a. Name and dosage of *Medication* taken or administered;
- 5 b. Date taken or administered;
- 6 c. Name of prescribing or administering physician;
- 7 d. Reason *Medication* was prescribed or administered.

8 This paragraph does not authorize Respondent to take any *Medication* other than in
9 accordance with paragraph 6.

10 **9. No Alcohol or Poppy Seeds.** Respondent shall not consume alcohol or
11 any food or other substance containing poppy seeds or alcohol.

12 **10. Biological Fluid Collection.** During all times that Respondent is physically
13 present in the State of Arizona and such other times as Board Staff may direct,
14 Respondent shall promptly comply with requests from Board Staff or MAP Director to
15 submit to witnessed biological fluid collection. If Respondent is directed to contact an
16 automated telephone message system to determine when to provide a specimen,
17 Respondent shall do so within the hours specified by Board Staff. For the purposes of this
18 paragraph, in the case of an in-person request, "promptly comply" means "immediately."
19 In the case of a telephonic request, "promptly comply" means that, except for good cause
20 shown, Respondent shall appear and submit to specimen collection not later than two
21 hours after telephonic notice to appear is given. The Board in its sole discretion shall
22 determine good cause.

23 **11.** Respondent shall provide Board Staff in writing with one telephone number
24 that shall be used to contact Respondent on a 24 hour per day/seven day per week basis
25 to submit to biological fluid collection. For the purposes of this section, telephonic notice

1 shall be deemed given at the time a message to appear is left at the contact telephone
2 number provided by Respondent. Respondent authorizes any person or organization
3 conducting tests on the collected samples to provide testing results to the Board and the
4 MAP Director.

5 **12.** Respondent shall cooperate with collection site personnel regarding
6 biological fluid collection. Repeated complaints from collection site personnel regarding
7 Respondent's lack of cooperation regarding collection may be grounds for termination
8 from MAP.

9 **13. Out of State Travel and/or Unavailability at Home or Office Telephone**
10 **Number.** Respondent shall provide Board Staff at least three business days advance
11 written notice of any plans to be away from office or home when such absence would
12 prohibit Respondent from responding to an order to provide a biological fluid specimen or
13 from responding to communications from the Board. The notice shall state the reason for
14 the intended absence from home or office, and shall provide a telephone number that may
15 be used to contact Respondent.

16 **14. Payment for Services.** Respondent shall pay for all costs, including
17 personnel and contractor costs, associated with participating in MAP at time service
18 is rendered, or within 30 days of each invoice sent to Respondent.

19 **15. Examination.** Respondent shall submit to mental, physical, and medical
20 competency examinations at such times and under such conditions as directed by the
21 Board to assist the Board in monitoring Respondent's ability to safely perform as a
22 physician and Respondent's compliance with the terms of this Order.

23 **16. Treatment.** Respondent shall submit to all medical, substance abuse, and
24 mental health care and treatment ordered by the Board.

25 **17. Obey All Laws.** Respondent shall obey all federal, state and local laws, and

1 all rules governing the practice of medicine in the State of Arizona.

2 **18. Interviews.** Respondent shall appear in person before the Board and its
3 Staff and MAP committees for interviews upon request, upon reasonable notice.

4 **19. Address and Phone Changes, Notice.** Respondent shall immediately
5 notify the Board in writing of any change in office or home addresses and telephone
6 numbers.

7 **20. Relapse, Violation.** In the event of chemical dependency relapse by
8 Respondent or Respondent's use of drugs or alcohol in violation of the Order,
9 Respondent's license shall be **REVOKED**. Respondent agrees to waive formal hearing
10 on the revocation. In the alternative, Respondent may **SURRENDER HIS LICENSE** if he
11 agrees in writing to being impaired by alcohol or drug abuse. A.R.S. § 32-1452(G).

12 **21. Notice Requirements.**

13 **(A)** Respondent shall immediately provide a copy of this Order to all
14 employers and all hospitals and free standing surgery centers where Respondent currently
15 has privileges. Within 30 days of the date of this Order, Respondent shall provide the
16 Board with a signed statement of compliance with this notification requirement. Upon any
17 change in employer or upon the granting of privileges at additional hospitals and free
18 standing surgery centers, Respondent shall provide the employer, hospital or free standing
19 surgery center with a copy of this Order. Within 30 days of a change in employer or upon
20 the granting of privileges at additional hospitals and free standing surgery centers,
21 Respondent shall provide the Board with a signed statement of compliance with this
22 notification requirement.

23 **(B)** Respondent is further required to notify, in writing, all employers,
24 hospitals and free standing surgery centers where Respondent currently has or in the
25 future gains employment or privileges, of a chemical dependency relapse, use of drugs or

1 alcohol in violation of this Order and/or entry into a treatment program. Within seven days
2 of any of these events Respondent shall provide the Board written confirmation of
3 compliance with this notification requirement.

4 **22. Public Record.** This Order is a public record.

5 **23. Out-of-State.** In the event Respondent resides or practices as a physician
6 in a state other than Arizona, Respondent shall participate in the rehabilitation program
7 sponsored by that state's medical licensing authority or medical society. Respondent
8 shall cause the monitoring state's program to provide written reports to the Board
9 regarding Respondent's attendance, participation, and monitoring. The reports shall be
10 due quarterly on or before the 15th day of March, June, September, and December of
11 each year, until the Board terminates this requirement in writing. The monitoring state's
12 program and Respondent shall immediately notify the Board if Respondent: a) is non-
13 compliant with any aspect of the monitoring requirements; b) relapses; c) tests positive
14 for controlled substances; d) has low specific gravity urine drug test(s), missed and/or
15 late urine drug tests, or otherwise rejected urine drug tests; and e) is required to undergo
16 any additional treatment.

17 **24.** This Order supersedes all previous consent agreements and stipulations
18 between the Board and/or the Executive Director and Respondent.

20 violation of this Order.

21 **26.** Respondent shall immediately obtain a treating psychiatrist approved by
22 Board Staff and shall remain in treatment with the psychiatrist until further order of the
23 Executive Director. Respondent shall instruct the psychiatrist to release to Board Staff,
24 upon request, all records relating to Respondent's treatment, and to submit quarterly
